DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of the Assistant Secretary for Fair Housing and Equal Opportunity

[Docket No. N-95-3901; FR-3878-N-02]

NOFA for Fair Housing Initiatives Program; FY 1995 Competitive Solicitation; Notice of Amendment and Clarification

This document amends the April 11, 1995 NOFA by removing certain FY 95 funding restrictions and extending the application due date. Additionally, this notice clarifies several of the NOFA's provisions in order to better assist potential applicants in the preparation of their applications. This notice also corrects two typographical errors contained in the April 11, 1995 NOFA.

SUPPLEMENTARY INFORMATION:

I. NOFA Amendments

A Notice of Funding Availability (NOFA) announcing the Fiscal Year (FY) 95 availability of \$14,580,530 under the Fair Housing Initiatives Program (FHIP) was published by HUD on April 11, 1995 (60 FR 18444). FHIP assists projects and activities designed to enforce and enhance compliance with the Fair Housing Act and substantially equivalent State and local fair housing laws. The body of the April 11, 1995 NOFA contains information concerning the purpose of the NOFA, eligibility, available amounts, how to apply for funding, and how selections will be made.

The April 11, 1995 NOFA establishes limitations on the number and types of FY 95 FHIP awards for which an applicant may apply and receive. Paragraph I.(d)(4) of the April 11, 1995 NOFA limits applicants to a single award under the FY 95 NOFA. Further, the April 11, 1995 NOFA does not permit recipients of FY 93/94 multi-year awards to apply for FY 95 multi-year funds under the same initiative as their FY 93/94 award. Additionally, paragraph I.(c)(4)(ii)(C) of the April 11, 1995 NOFA, concerning the Establishing New Organizations component of the Fair Housing Organizations Initiative, states that preference will be given to proposed projects in targeted unserved and underserved areas.

Because of the growing uncertainty regarding the funding level of FHIP in future years, the Department has determined to amend the FY 1995 NOFA to remove the above described restrictions. These amendments are intended to increase the number of organizations that are eligible to seek funding and the number of awards that a single organization may receive in the competition for FHIP funds in FY 1995. In order to assure that newly eligible applicants have sufficient time to prepare their applications for FY 95 FHIP funding, the Department is also extending the application deadline by thirty days.

II. NOFA Clarifications

Since the publication of the April 11, 1995 NOFA, several potential applicants have contacted HUD with questions regarding some of the NOFA provisions. HUD is publishing this notice, clarifying several provisions of the April 11, 1995 NOFA, in order to better assist potential applicants in the preparation of their applications.

a. Use of the Term Nonprofit

Paragraphs I.(c)(2)(i)(D) and I.(c)(4)(i)(A) (2) and (3) of the April 11, 1995 NOFA include certain nonprofit organizations in the lists of eligible applicants for the Education and Outreach Initiative and the Continued Development of Existing Organizations component of the Fair Housing Organizations Initiative.

As used in paragraphs I.(c)(2)(i)(D) and I.(c)(4)(i)(A) (2) and (3) of the April 11, 1995 NOFA, the term "nonprofit" applies to those organizations, institutions or groups organized for purposes other than making a profit or gain for themselves. However, the use of the term "nonprofit" does not imply tax-exempt status under section 501(c)(3) of the Internal Revenue Code. Accordingly, eligible applicants under paragraphs I.(c)(2)(i)(D) and I.(c)(4)(i)(A) (2) and (3) of the April 11, 1995 NOFA are not required to be tax-exempt. Where an applicant must be both tax exempt and nonprofit, this is explicitly indicated in the NOFA, for example, in the definitions of "fair housing enforcement organization" and "qualified fair housing enforcement organization."

b. Private Enforcement Initiative Funds Utilized to Promote Awareness

Some potential applicants have expressed concerns that education and outreach efforts necessary to support enforcement activities would not be possible without submitting separate applications for enforcement projects and education and outreach projects. However, the NOFA does permit such supporting efforts. As provided in paragraph I.(c)(3)(ii) of the April 11, 1995 NOFA, applicants under the Private Enforcement (PE) Initiative may utilize 20 percent of requested funds to promote awareness of the services provided by the project. However, such promotion must be necessary for the successful implementation of the project. In addition, this notice removes the single award provision which prompted this concern.

c. Award Caps on Multi-Year Awards

The April 11, 1995 NOFA establishes caps on multi-year awards under the
